Profile

Computer engineering graduate from National Engineering School of Tunis (ENSIT). I am interested in software engineering as a whole, with a particular affinity for web and mobile development. Serious, rigorous, and motivated, I am seeking a position that allows me to leverage my technical skills and fully invest in innovative projects within a stimulating professional environment.

EDUCATION

- | | |
|---|-------------|
| Engineering Degree in Computer Science
📍 National Engineering School of Tunis (ENSIT) | 2022 – 2025 |
| Preparatory Scientific Cycle (Mathematics/Physics)
📍 Preparatory Institute for Engineering Studies of Bizerte (IPEIB) | 2020 – 2022 |
| Baccalaureate in Mathematics
📍 Khayr Eddine Bacha High School, Mourouj 3 | 2020 |

EXPERIENCE

- | | |
|--|---------------------|
| DECADE , Final Year Project
<ul style="list-style-type: none">Project involved redesigning the checkout flow of an e-commerce website, to enhance performance, maintainability, and user experience.Front-end was migrated from TWIG to Next.js with responsive design. The back-end used a modular architecture with REST APIs in PHP, ensuring clear decoupling between front and back ends.Mini-project 1: Built an e-commerce site using React.js, interacting with APIs for product and cart management, to understand decoupled front-end operation.Mini-project 2: Developed another e-commerce site using Next.js with SSR and CSR rendering for performance optimization.Tools: Next.js, ReactJs, Redux, PHP, TypeScript, MySQL, Docker, Bitbucket, Postman, Swagger... | February - May 2025 |
| ConvergeINNOV , Internship: Full Stack Developer
<ul style="list-style-type: none">Designed and developed a mobile application for hotel management, allowing reservation administration and room management.Used Flutter for smooth cross-platform UI and Firebase for real-time data management and authentication.Tools: Flutter, Firebase, UML, GitHub... | JUNE - AUGUST 2024 |
| Fortis Soft , Internship: Front-End Developer
<ul style="list-style-type: none">Developed a showcase website presenting the company's products and services with intuitive navigation.Front-end implemented using HTML, CSS, JavaScript, and a dynamic quote request form in PHP.Tools: HTML, CSS, JavaScript, PHP... | JUNE - JULY 2023 |

SKILLS

Programming Languages: C, C++, Java, PHP
Web Development (Frontend): HTML, CSS, JavaScript, TypeScript, Bootstrap, Angular, React.js, Next.js
Backend Frameworks: Node.js, Django
Mobile Development: Ionic, Flutter
Databases: SQL, NoSQL, MySQL, MongoDB, Firebase
Tools & Environments: Docker, Git, Bitbucket, Swagger, Postman, GitHub, Jenkins, Linux, Jira, Unity
Soft Skills: Teamwork, Project Management, Time Management, Punctuality, Adaptability

LANGUAGES

Arabic: Native

French: Intermediate

English: Intermediate

CERTIFICATIONS

Introduction to Networks: Cisco Certified Network Associate

Switching and Routing: Cisco Certified Network Associate

Enterprise Networks Cisco Certified Network Associate

AWS Academy: Cloud Foundations

AWS Academy: Machine Learning Foundations

CrocoCoder Academy: Angular Training – 24h

Geeks Club ENSIT: Web Development Training

EXTRACURRICULAR

IEEE ENSIT Student Branch: Active member, participated in organizing TSYP 11 (2023)

Certificates of appreciation and recognition for involvement and overall performance.

SIT 2022: Participated in the forum with recognized contribution

Achievement certificate – Outstanding participation.

GEEKS Club ENSIT: Active member

Took part in training activities and tech events.
